Bluebird: I can live a vital, meaningful life. And, I accept I will sometimes have pain, and other times have joy, in my life.

New Pair of Glasses: to change my life, and grow in wisdom, I need to look at things differently.

Beach ball: I need to stop avoiding my life by pushing thoughts and feeling underwater. By being mindful, I will let my thoughts and feelings come up and accept them for what they are.

Finger trap: It is healthy for me to "accept what is as it is". When I struggle against "what is", I trap myself and cause suffering for myself. Accepting does not necessarily mean I like it.

1, 2, 3: I can live a vital and meaningful life by choosing and committing to values that are important to me—NIKE Therapy "Just do it!" make a plan, don't procrastinate, take action. Letting go and letting be is also a way of taking positive action.
