Visit Bristlecone June 18th!

Bristlecone Family Resources is inviting members of the community to an **Open House** to mark Nevada's 100%, post COVID-19, reopening. Bristlecone's Open House is Friday, June 18, 2021 from 11:00 am to 3:00 pm.

"As of June 1st, Nevada has reopened 100 percent," Bristlecone Board Chair Tray Abney said. "While this is welcome news for our state and our economy, we also understand this may be a troubling time for those who struggle with gambling, alcohol and or substance abuse issues. That's why we want to make time to freely open our doors on June 18th. We encourage any member of our community who may need help to come and tour our facility. Resources are available and we can help."

The Open House will include, but is not limited to, presentations from CEO Rex Smyly and other members of Bristlecone's staff and clinical team, an outdoor BBQ, tours of the facility and free, private, addiction use disorder screenings.
