# Brief Therapy for Clients with Challenging or Unique Issues

A Clinician's Guide to Enhancing Outcomes

*By* Saul A. Singer

Brief Therapy for Clients with Challenging or Unique Issues offers clinicians, interns, and students a unique look into the creative and effective application of foundational concepts and innovative clinical processes that lead to successful outcomes with even the most challenging clients. Rich in neurolinguistics, innovative approaches, and the application of advanced solution-oriented strategies, Brief Therapy for Clients with Challenging or Unique Issues weaves together the stories of courageous clients and offers innovative tools that empower and motivate even the most reluctant clients to engage and identify solutions that fit for them.
