

WE'RE HIRING!

Outreach Specialist

Join the University of Nevada, Reno School of Public Health to support overdose prevention efforts across Northern Nevada. As part of the **Overdose Data to Action (OD2A)** team, we are seeking a **Certified Peer Recovery Support Specialist** to serve as an Outreach Specialist—building connections, sharing resources, facilitating groups, and supporting individuals at high risk for opioid overdose.

Qualifications

- Certified Peer Recovery Support Specialist preferred
- Commitment to supporting individuals at high risk for opioid overdose
- Experience in outreach, peer support, behavioral health, or facilitating groups a plus
- Strong communication and relationship-building skills
- Flexibility to work in community settings, including evenings and field-based outreach
